Dear Valued Customer,

Please see below **National Customer Advice - UPDATE 3 Derailment At Milvale NSW 11th September 2020 Cootamundra-Parkes Mainline Closed**

Background:

At 22:07 hours Thursday 10/09/20 Pacific National grain service 8932 derailed at Milvale NSW causing approximately 1km of track damage. The mainline between Cootamundra and Parkes has subsequently been closed.

Details:

Significant delays to East and West bound services as detailed below. Current ARTC advice is track repairs will take 48 hours minimum. A further update will be provided later today when advice is received from ARTC.

Update 1 – 16:00hrs Friday 11th September:

At this stage there is no confirmed time regarding the restoration of the mainline between Cootamundra and Parkes. Further updates will follow as information becomes available.

Update 2 – 13:00hrs Saturday 12th September:

Recovery work is progressing at the derailment site. At this stage no firm reopening time has been communicated, however it is anticipated that the mainline will remain closed for at least another 24 hours. A further update will be provided as soon as information becomes available.

Update 3 – 20:30hrs Sunday 13th September:

The ARTC has advised that the mainline was restored at approximately 20:00hrs this evening (13/9). A further update will be provided tomorrow morning (14/9) with more detail regarding trains in transit and forecast freight availabilities.
